May Program - Lou Pompillio- Composer, Guitarist, Vocalist in several languages!

Volume 16 Issue 5
May 2016

Lou Pompillio is an accomplished Guitarist and Vocalist. His musical background includes tunes from Tony Bennett, Frank Sinatra, Billy Joel, Stevie Wonder, Michael Franks, The Temptations, The Spinners, James Taylor and a host of pop singers. Lou is also well versed in singing and playing in Italian and some Spanish with a light touch of Portuguese in the bossa nova's and samba's. Lou's song list includes over 500 tunes consisting of Jazz, swing, pop, oldies, R&B, and ethnic back-

grounds. He covers pop from Billy Joel to Basha and oldies including the Ojays, Temptations, Spinners, Little Anthony, The Crests and many other groups of the period. Mr. Pompillio's musical genre is mostly jazz influenced by some classical and modern performers. What Lou finds to be his most attractive quality is that his personality is comparable to his performance level and both are excellent. You can always watch Lou's cooking shows on you-tube where he mostly sings Italian and some modern music. If you like what you hear and see don't hesitate to contact him at <https://www.gigmasters.com/guitar/lou-pompilio>.
