September Program - Anthony Rose

Volume 16 Issue 7
September 2016

Anthony Razzano, stage name Anthony Rose, was born and raised and still lives in central NJ. Anthony's paternal grandparents, Antonio and Catarina, emigrated to the US from a small village, Du Razzano, just outside of Naples shortly after the turn of the 20th century. His maternal grandparents, Dominic and Tomasina Rossi, emigrated from Naples.

Anthony used to do unusual things for his family and friends and one day while performing at his uncle's party, someone said, "You ought to take this show on the road." So he did.

Since then, Anthony has been performing his show of mental mysteries all over North America. Anthony has twice appeared at the Golden Nugget in Las Vegas and the Renaissance Hotel also in Vegas. Among his clients are the NY Knicks, the Ford Modeling agency, the Calgary Stampede, the city of Halifax. ERA Real Estate, Remax Real Estate, the Make A Wish Foundation, the former Merrill Lynch and so on.

Now, can he really read your thoughts? After seeing his show, only you can decide. A highlight of the show is Anthony's headline prediction. Anthony's show is not only amazing but fun. There is some audience participation, but he never embarrasses anyone. All are treated with dignity and respect. Anthony makes sure his audiences have a very good time with a mix of fun and mystery.

Anthony currently lives in South River, NJ with his wife, the Lovely Linda and their daughter Angela.
