Program Notes for June: Scholarship Presentation

The 2006 *Heritage Award* winners include deserving students from Delaware Valley High School, Voorhees High School, Hunterdon Central High School, Immaculata High School. Heritage Award winners receive \$1000. The Heritage Awards winners are determined by merit, academic excellence, vocational/technical skill, and school and community activities and service.

This year's *Thomas and Lena La Marca Award* recipient is from Delaware Valley High School, and will receive \$2000. The La Marca scholarship recognizes students

of character and outstanding work ethic who are deserving of an education beyond their means.

The *Paterniti Foundation* will award \$2000 each to two Voorhees High School students. The Paterniti Award honors student understanding of Italian family values. Funds for the IAHC scholarships are raised in part during the club's annual summer golf benefit. This year's golf benefit was held June 12th.

Come join us to honor these outstanding and deserving students.
